Activist® GLUTATHIONE EVT

EFFERVESCENT TABLETS

Glutathione & Vitamin C (L-ascorbic acid)
Effervescent Tablets

- **GLUTATHIONE** - The glutathione has numerous health benefits on its own, but when combined with concentrations of vitamin C and collagen, its potential benefits are multiplied, combats the damaging effects of free radicals and toxins. Reduces skin pigmentation and imperfections.

Taking GLUTATHIONE along with vitamin C for three to six months or more actually lightens the colour of their skin.

- **VITAMIN C** - L-ascorbic acid is the purest form of vitamin C, and it has been proven to provide powerful antioxidant benefits that help protect the skin from environmental damage while improving the visible signs of aging.
